

AUGUST 2-3, 2025 | Gaylord Texan Resort & Convention Center

Officially Licensed Best of ASCO®, an Official Annual Meeting Review of the American Society of Clinical Oncology® (ASCO®), is designed to provide the latest science and education from the world's premier oncology event, the ASCO® Annual Meeting.

The program features in-depth discussion and analysis of the latest scientific findings in primary disease sites and practice-changing advances in cancer treatment. Expert faculty will review the findings, discuss the results' potential impact on the current standard of care, and apply the results within the clinical context of a patient case.

Pharmacists	\$75	\$100	\$150
NPs, PAs, RNs, and others	\$50	\$75	\$125
Pharma / Med Device Company Employee**	\$450	\$475	\$525
Students & Fellows*	Free*		

**Industry Employee

*Student is defined as currently enrolled in an advanced learning institution and/or studying in order to enter a particular profession. If you would like to attend as a Student, please contact info@horizoncme.com for further information.

**Defined as anyone employed by a drug, device, or diagnostic company. The primary goal of the conference is to educate practicing clinicians on the latest advances and strategies in the care of cancer patients. Because space is limited and to ensure sufficient seats are available for clinicians, Industry Employees may register as an attendee only if you have a clinical title (NP, PharmD, MD, PA, etc).
