

BEST OF ASCO®

OFFICIALLY LICENSED

Licensed by the American Society of Clinical Oncology®

Best of ASCO® San Francisco 2025

Presented By  HORIZONCME

JULY 26 – 27, 2025 | Hilton San Francisco Airport Bayfront Hotel

Officially Licensed Best of ASCO®, an Official Annual Meeting Review of the American Society of Clinical Oncology® (ASCO®), is designed to provide the latest science and education from the world's premier oncology event, the ASCO® Annual Meeting.

The program features in-depth discussion and analysis of the latest scientific findings in primary disease sites and practice-changing advances in cancer treatment. Expert faculty will review the findings, discuss the results' potential impact on the current standard of care, and apply the results within the clinical context of a patient case.

Pharma / Med Device Company Employee**	\$450	\$475	\$525
Students & Fellows*	Free*		

**Industry Employee
*Student is defined as currently enrolled in an advanced learning institution and/or studying in order to enter a particular profession. If you would like to attend as a Student, please contact info@horizoncme.com for further information.
**Defined as anyone employed by a drug, device, or diagnostic company. The primary goal of the conference is to educate practicing clinicians on the latest advances and strategies in the care of cancer patients. Because space is limited and to ensure sufficient seats are available for clinicians, Industry Employees may register as an attendee only if you have a clinical title (NP, PharmD, MD, PA, etc).

JULY 26 – 27, 2025 | Hilton San Francisco Airport Bayfront Hotel

A G E N D A

Saturday, July 26, 2025

(01) Lymphoma

» Joe Schroers-Martin, MD – Stanford University School of Medicine, Stanford Cancer Institute

(02) Multiple Myeloma

» Ajai Chari, MD – University of California, San Francisco

(03) Leukemia

» Gabriel N. Mannis, MD – Stanford Cancer Institute Stanford University

(04) Stump the Faculty: Hematology

» Faculty for Sessions (01) – (03)

(05) Gynecological Malignancies

» Hui Amy Chen, MD – University of California, Davis

(06) Genitourinary: Prostate

» Rahul Aggarwal, MD – Helen Diller Family Comprehensive Cancer Center, University of California, San Francisco

(07) Genitourinary: Renal & Bladder

» Terry Friedlander, MD – Helen Diller Family Comprehensive Cancer Center, University of California, San Francisco

(08) Stump the Faculty: Gyn & GU

» Faculty for Sessions (05) – (07)

(09) Melanoma

» Allison Betoff Warner, MD, PhD – Stanford University School of Medicine

(10) Developmental Therapeutics: Immunotherapies

» Allison Betoff Warner, MD, PhD – Stanford University School of Medicine

(11) Stump the Faculty: Breast Cancer

» Faculty from Sessions (09) – (12)

(12) Breast Cancer: Early Stage

» Laura Huppert, MD – University of California, San Francisco

(13) Breast Cancer: Metastatic

» Mili Arora, MD – UC Davis Comprehensive Cancer Center

(14) Stump the Faculty: Breast Cancer

» Faculty from Sessions (09) – (12)

(15) Tackling the Tough Cases

» Fellows

Sunday, July 27, 2025

(16) Gastrointestinal: Hepatobiliary

» Tilak K. Sundaresan, MD – The Permanente Medical Group, Kaiser Permanente

(17) Gastrointestinal: Pancreatic

» Diana Hanna, MD – USC Norris Comprehensive Cancer Center at Keck School of Medicine

(18) Gastrointestinal: Colorectal

» Syma Iqbal, MD – USC Norris Comprehensive Cancer Center at Keck School of Medicine
